

Jaguar PE Flooring

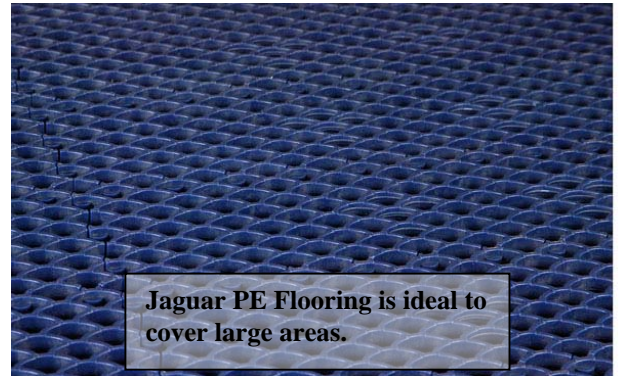

Jaguar PE Flooring is a durable interlocking modular flooring tile for indoor and outdoor conditions. Jaguar PE Flooring withstands heavy loads and is suitable for show rooms, exhibition halls, industries, balconies, terraces, storage rooms, laundry rooms, garages etc.

Jaguar PE Flooring is durable modular tile, which can be assembled in a variety of designs and shapes. It has open construction, very good drainage capability and non-slip and safe surface. It can be installed on concrete, asphalt or any other hard and flat surface.

Jaguar PE Flooring is available in many colours.

Jaguar PE Flooring is ideal to cover large areas.

Interlocking modular tiles

Jaguar PE Flooring tiles are very easy to cut to size and shape. Tiles can be installed in minutes, without the use of special tools. Interlocking modular tiles allow you to create a flooring of any length and width.

Easy maintenance

Jaguar PE Flooring is inexpensive to clean by vacuum cleaning or hosing down. Dirt that falls through the tile can be simply vacuum cleaned from the floor underneath.

Good drainage and non-slip surface

Jaguar PE Flooring has slip resistant surface pattern and it offers maximum drainage. Open grid construction allows water to pass through the tile, providing safe and dry surface.

Jaguar PE Flooring has slip resistant surface.
