

Jaguar Carpet - entrance mat

Jaguar Carpet entrance mat provides remarkable dirt and moisture removal and elegant appearance together with its interlocking tiles and high performance carpet inserts.

Jaguar Carpet is suitable for demanding applications: public buildings, block of flats, office buildings, schools, kindergartens, shops, boutiques, banks etc

Jaguar Carpet is performing best when used indoors or in weather protected areas.

Jaguar is an ideal choice for buildings that are subject to heavy foot and trolley traffic such as supermarkets, shopping centres and airports.

Jaguar Carpet is interlocking modular mat for the most demanding applications.

Open grid pattern with raised knob top surface affords instant drainage and slip resistance.

Jaguar Carpet - entrance mat

Jaguar Carpet insert colours are black, grey and red.

Jaguar Carpet interlocking tile is fully compatible with the Jaguar plain tile.

Excellent slip resistance

Jaguar Carpet has slip resistant surface pattern and it offers also maximum drainage. Open grid construction allows water to pass through the mat, providing safe and dry surface and reducing slip hazards.

Easy maintenance

Jaguar Carpet entrance mat is inexpensive to clean by vacuum cleaning or hosing down. Lightweight Jaguar Carpet matting is easy to roll up for maintenance. Dirt that falls through the mat can be simply vacuum cleaned from the floor underneath.

Interlocking tiles

Interlocking modular tiles allow you to create an entrance mat of any length and width. Tiles are very easy to cut to size and shape. Jaguar tiles can be installed in minutes, without the use of special tools.
