

MODENA wet area mat

Interlocking wet area mat Modena is ideal for swimming pool surrounds, showers, spas, saunas and changing rooms. Unique line design of the tile allows water to easily drain off, providing slipresistant, safe and dry surface.

Mat is warm and comfortable and ideal with barefoot traffic.

Modena wet area mat offers exceptional drainage and comfort all in a modular mat. Curved design of the lines promotes immediate drainage and unbacked construction allows water to pass through the mat. The soft surface of the mat provides comfortable cushion for bare feet.

MODENA wet area mat

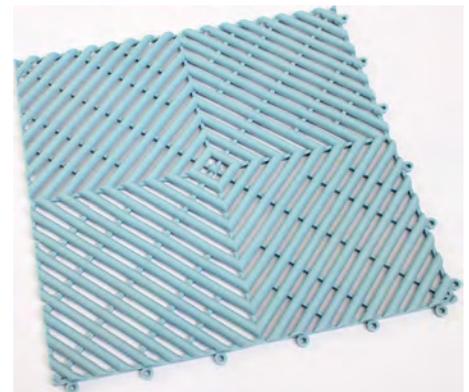

Non-slip and safe surface

Modena offers exceptional drainage and comfort all in a modular mat. Curved design of the surface promotes immediate drainage. Unbacked construction allows water to pass through the mat, providing safe and dry surface. The soft and resilient non-slip knobs on the surface of the mat provide comfortable cushion for bare feet

Hygienic

Modena is treated with an anti-microbial additive for protection against the growth of mould, mildew, fungi and odour-causing germs. Modena is designed to prevent the development and growth of bacteria and it resists also body oils and chemicals.
