

Promenade entrance mat

Promenade is a hard-wearing entrance mat that scrapes off rough dirt from shoes and absorbs moisture. Recommended areas for the Promenade carpet are e.g. foyers, corridors, entrances and doorways. The Promenade carpet has a two-fiber structure. The mat consists of a combination of soft olefin fibers and strong, rigid polypropylene loops. Thanks to the loops of the carpet, a lot of dirt is hidden in the carpet, which is not visible on the surface of the carpet.

Promenade is very resistant to dirt and can be cleaned by shaking, vacuuming or rinsing. The Promenade carpet is delivered as a roll and is available in two different widths, 90 cm and 120 cm. The carpet is also delivered cut to size and bordered.

TEKNISET TIEDOT:	
Material:	Polypropylene+ olefin
Backing:	Vinyl
Height:	7 mm
Lenght:	By the measurements
Width:	90 cm and 120 cm
Weight:	3,3 kg / m2
Place of use:	Indoors
Special feature:	Two features in one carpet
Color:	Gray

The Promenade carpet is surrounded by a border that reduces the risk of tripping. Thanks to the sturdy vinyl base, the mat stays in place.

Promenade käytävämatto

Promenade ómaton kestävö silmukkarakenne sekä puhdistaa tehokkaasti lian pois kengistä että imee kosteuden itseensä.
