

SILVER CARPET

heelproof entrance mat with textile carpet insert

Silver Carpet is heavy duty entrance mat consisting of interlocking tiles with high performance carpet inserts. A highly durable and practical textile carpet inserts have excellent moisture and dirt absorption properties.

Silver Carpet is suitable for inside entrances and for light to medium traffic in private and public areas.

High grade special vinyl/NBR tiles provide impact sound insulation and slip resistance.

Silver Carpet with textile carpet inserts is unique entrance matting system available in interlocking tiles.

SILVER CARPET

Interlocking modular tiles

Silver Carpet vinyl/NBR tiles are very easy to cut to size and shape. Tiles can be installed in minutes, without the use of special tools. Interlocking modular tiles allow you to create an entrance mat of any length and width.

Easy maintenance

Simply vacuum surface and floor below. Silver Carpet is easy to roll up for maintenance. Dirt that falls through the mat can be simply vacuum cleaned from the floor underneath. For extreme soiling hose down with a high pressure washer.

Good drainage and non-slip surface

Silver Carpet has slip resistant surface and it offers excellent drainage. Open construction allows water to pass through the mat, providing safe and dry surface.
