

Ultima – wet area mat in rolls

Ultima wet area mat is ideal for swimming pool surrounds, showers, spas, saunas and changing rooms. Curved design allows water to easily drain off, providing slip resistant, safe and dry surface. Ultima wet area mat is warm and comfortable and ideal with barefoot traffic.

The soft and resilient non-slip knobs on the surface of the mat provide comfortable cushion for bare feet.

Hygienic

Ultima is treated with an anti-microbial additive for protection against the growth of mould, mildew, fungi and odour-causing germs.

Ultima is designed to prevent the development and growth of bacteria and it resists also body oils and chemicals.

Non-slip and safe surface

Ultima offers exceptional drainage and comfort. Curved design of the surface promotes immediate drainage.

Unbacked construction allows water to pass through the mat, providing safe and dry surface.

Ultima –wet area mat in rolls

Delivery in rolls, easy to assemble

Ultima wet area matting is an ideal way of covering large areas. Ultima tiles have a built in connecting system that allows rolls to be easily interlocked lengthwise.

Ultima is delivered in rolls. Rolls can be assembled next to each other with separate connectors.

Hidden interlocking connectors, seamless look
